Tour de Talbot PINK 31.5 Mile Route

Follow Pink Arrows on signage. Please carry extra tubes, a pump, water and supplies with you. Follow all rules of the road, including riding single file when necessary, but especially on roads with no designated bike lanes.

Your ticket for the ferry is on your wristband!

Call 410-591-6092 for ride-day SAG support. Please only call SAG if you cannot fix the problem yourself. It is not a shuttle service and the route itself is very spread out so you may need to wait.

In an emergency, please call 911.
